Public Awareness Program on Diabetes

On the occasion of World Diabetes Day, a Public Awareness Program on Diabetes is being organized under the aegis of the Association of Physicians of India (API), Katihar Chapter, in collaboration with Katihar Medical College, Katihar.

 Date: 14th November 2025

 Time: 11:00 AM to 1:00 PM

 Venue: Katihar Medical College, Katihar

The program aims to raise awareness about diabetes prevention, early detection, and management among the community.

All are cordially invited to participate and contribute towards creating a healthier, diabetes-free society.

— API Katihar, Bihar
